Hanwell Homeless  
Concern

Dear Ann

I just wanted to write and thank you, on behalf of Hanwell Homeless Concern, for the wonderful array of fruit and vegetables that you, and others, donated to our Charity, from your allotments.

Sylvia kindly gave me some of the eating apples, cooking apples, greengages and plums and tomatoes for our session today.

We used the tomatoes in our dinner, gave out the eating apples and plums, and stewed the cooking apples and greengages and they had those for their puddings, with custard.

I can tell you it was all well received and many people said how nice everything tasted.

The rest of the produce will be used by other teams on different sessions.

Please pass on our sincere thanks to everyone. It is very good of you all to donate all this lovely home grown produce to us.

Kindest regards
